Swifts Creek Bush Nursing Centre would like to invite community members of the Omeo district, to a meeting at the Swifts Creek Hotel (Junction Hotel) on Thursday 12th October at 6pm.

The meeting has been called to have an open discussion about the withdrawal of health services by Omeo District Health from Ensay, Swifts Creek and Benambra.

We would like this to be an informative event for our communities and discuss what services are available at the Bush Nursing Centres and how we are able to improve health care in the district.

All welcome.

Regards

Sue Carroll (Nurse Manager)

Edwards Mauger (President SCBNC)
